Dear Mr. Hunter,

Following review of your laboratory test results and those conducted by Tooheys Central Laboratory we are satisfied that "Bracton glass wash" meets our requirements for listing as Tooheys approved proprietary glass washing detergent.

The approval covers the above product when used according to the directions on the label.

Tooheys Pty Limited reserve the right to retest this product at any time and to revoke this approval should it fail to meet required specifications.

Yours faithfully,

PF Goddard
