Michael J. Hunter  
Managing Director  
Bracton Industries  
P.O. Box 386,  
BROOKVALE N.S.W.

Dear Mr. Hunter,

Following review of your laboratory test results and those conducted by Tooheys Central Laboratory we are satisfied that the products listed below meet our requirements for listing as Tooheys approved proprietary beer line cleaners.

The approval covers the listed products when used in accordance with the label at the specified dilutions.

Tooheys Pty Limited reserve the right to retest these products at any time and to revoke this approval should they fail to meet required specifications.

PRODUCT	USE STRENGTH
Bracton Twin	12 mL/L

Yours faithfully,

PF Goddard  
Head Brewer/Technical Manager
