Terms and Conditions

Please read and accept terms

I / We accept and understand the terms and conditions of this registration and booking form :

Registrations and Payments:

Registrations for courses should be made 14 days prior to the course commencing, however, if course numbers are low, registrations can be accepted within the 14 day registration period to enable a person to attend a course. Any registration received within 14 days of a course commencing must be confirmed in writing by a Bracton staff member to enable a person to attend a course. Full payment for a course must be received prior to a course commencing, unless other arrangements have been made with a Bracton staff member which have been discussed via a phone call and confirmed in writing e.g. email or text. If payment for a course has not been received as specified, the participants place in the course will be cancelled.

The authorised Company / Business representative, or an individual (if registered separately) will be notified if a place in a course has been cancelled due to non-payment of the course fee. All registrations for courses must be made by an authorised representative of the Company or Business. If individuals register for courses payment must be received at least 7 days prior to the course commencing.

Cancellations:

Cancellations of course registrations must be notified by an authorised Company / Business representative, or person (if they have registered separately) via a phone call to Bracton Industries on 02 9938 1800 and verified via email to training@bractonsafe.com. If a course cancellation is made 14 days prior to the commencement of a course, a full refund will be provided, or the registration can be transferred to another course date. If a course cancellation is made less than 14 days prior to a course commencing, then a full refund will not be provided but the registration can be transferred to another course date for the same, or another participant.

Unless there are extenuating circumstances, any transfers to other course dates must be arranged at least 7 days prior to a course commencing and must be confirmed in writing by a Bracton staff member. If a participant fails to attend a course and their non-attendance isn't notified, then a refund will not be provided and a registration transfer to another course will not be an option. Bracton Industries reserves the right to cancel, postpone or reschedule courses due to low registrations, or any other unforeseen circumstances. If requested, a full course refund will be paid within 30 days, or a registration transferred to another course date.

Privacy:

Bracton Industries does not sell or rent its members and clients details to other organisations. The information collected on this Registration Form is for the purpose of processing your registration, creating and maintaining training records and keeping you informed of up coming events and products.

Once saved please email this form to training@bractonsafe.com
